### Garden use

Who uses the garden?

Relevant hobbies or interests?

Any special considerations?

How much time is spent in the garden during the;

Spring

Summer

Autumn

Winter

How important is the view of the garden all year round?

What aspects of the garden would you like to keep or enhance?

What aspects of the garden do you dislike, or create problems?

**Garden style / themes** (tick likes, and cross dislikes):

Formal	Informal	Naturalistic	Exotic
Contemporary	Romantic	Cottage garden	Gravel garden
Vibrant	Calm	Other	

**Views**

From where in the house is the view most important?

Is there a particular view that you wish to keep? e.g. a tree or hill

Is there a particular view that you wish to screen?

Do you favour, or dislike, any of the following screens / barriers in a garden?

Broadleaf hedge (e.g. beech)	Evergreen hedge (e.g. yew, thuja)
Walls	Fence / trellis
Informal planting	Other

**Materials**

**Plants:**

Are there any plants that you particularly wish to include in the garden?

Are there any plants that you particularly wish to exclude from the garden?

Would you like to include any of the following?

Fruit	Vegetables	Herbs	Cut Flowers
Scented plants			

Hard landscaping:

Generally the design will take into account the sense of place, and the nature of the materials in the garden's surroundings (e.g. local stone or other building materials), but if there are any materials that you would like to include or exclude please tick or cross accordingly:

Concrete	Stone	Concrete	Glass	Cobbles	Metals
Decking	Brick	Timber	Others? .....		

Water features:

Would you like to include any of the following:

Ornamental pool	Fountain	Rill	Stream	Other.....
-----------------	----------	------	--------	------------

Other:

Statues	<input type="checkbox"/>	Childrens' play area	Storage
Lighting	<input type="checkbox"/>	Structures (eg arbours)	Furniture
Greenhouse	<input type="checkbox"/>	Eating / Sitting area	BBQ
Parking	<input type="checkbox"/>	Clothes drying area	Other

Any other comments or suggestions?

.....

.....

.....

.....

.....

We understand that the design includes:

- ✓ An initial consultancy where we establish exactly what the client needs and desires from their garden.
- ✓ A detailed site survey
- ✓ Consultation during the process of design if this is desired
- ✓ The production of a final detailed scale Outline Garden Design
- ✓ Advice when choosing materials
- ✓ Support and advice from start to finish

Initial designs do not include a full planting plan but will include planting style suggestions. More detailed planting plans may take place when the project is complete.

I / We agree to commission \_\_\_\_\_ to undertake the design of our garden for a fee of £..... plus VAT.

Signed.....
